1 People can ask questions right on your profile. Here's how to answer them.

2 People can ask a question right on your profile, and anyone searching can see the answer. Check for new ones during your weekly look at the profile.

3 Answer briefly, from your own facts. Don't promise anything you can't back up.

4 Then add the questions you get most often by phone, with your answers, so customers find them before they call.

Remember

1. Check weekly
2. Answer from your facts
3. Add common questions
