NEVER MISS A LEAD · HOW DO I

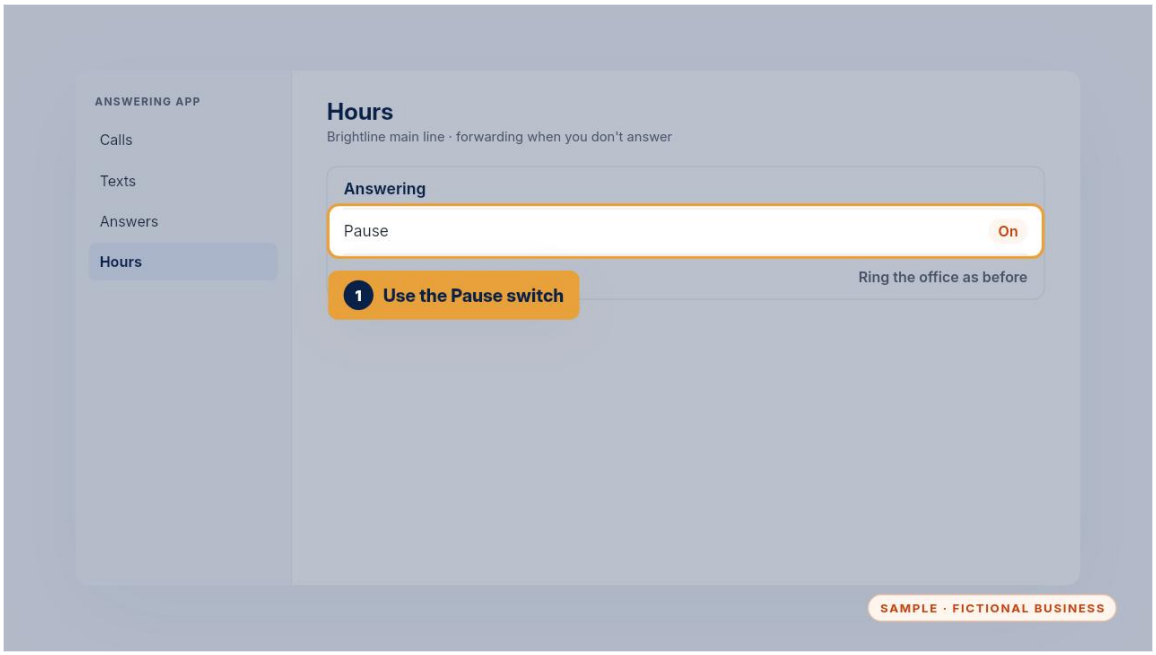

How do I pause answering for a day?

Turn the app off for a day and back on again.

1. Some days you'll want every call to ring the office, like a training day with everyone in. Here's how to pause the app, and how to turn it back on.

2 Use the app's Pause switch. While it's on, calls ring the office just as they did before you had the app.

3 Switch it back on when you're done, or text us and we'll do it. Then make one test call to check it's answering again.

4 Pause it, let the office answer, then switch it back on and make one test call.
