NEVER MISS A LEAD · HOW DO I

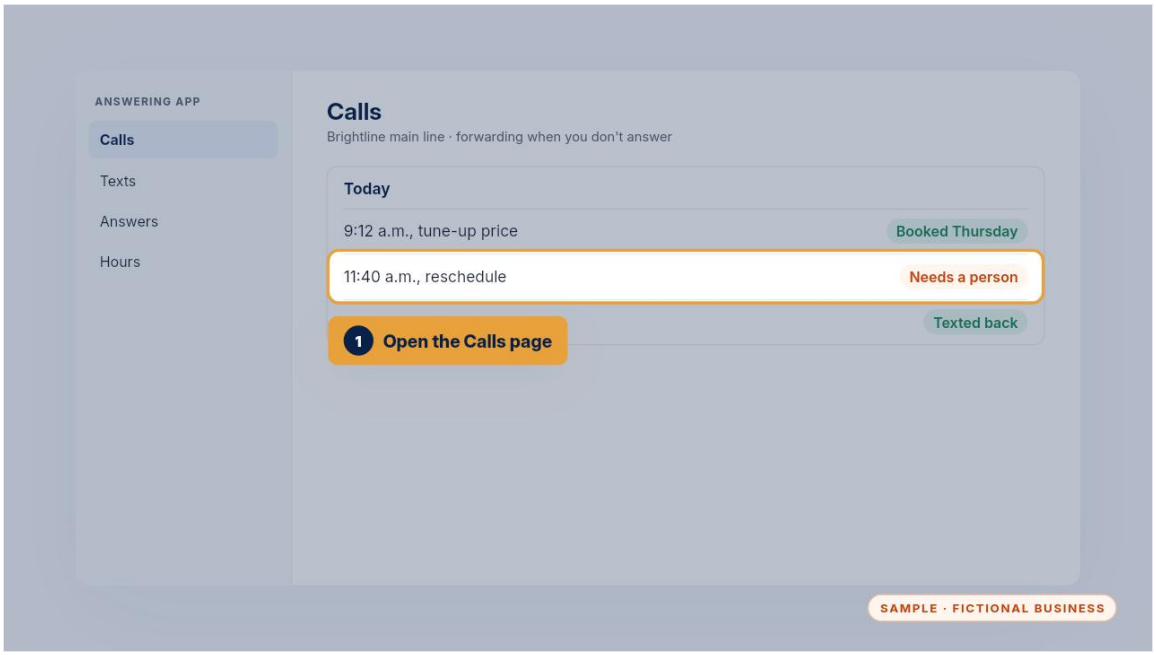

How do I read the call log?

Find each call's summary and who needs a call back.

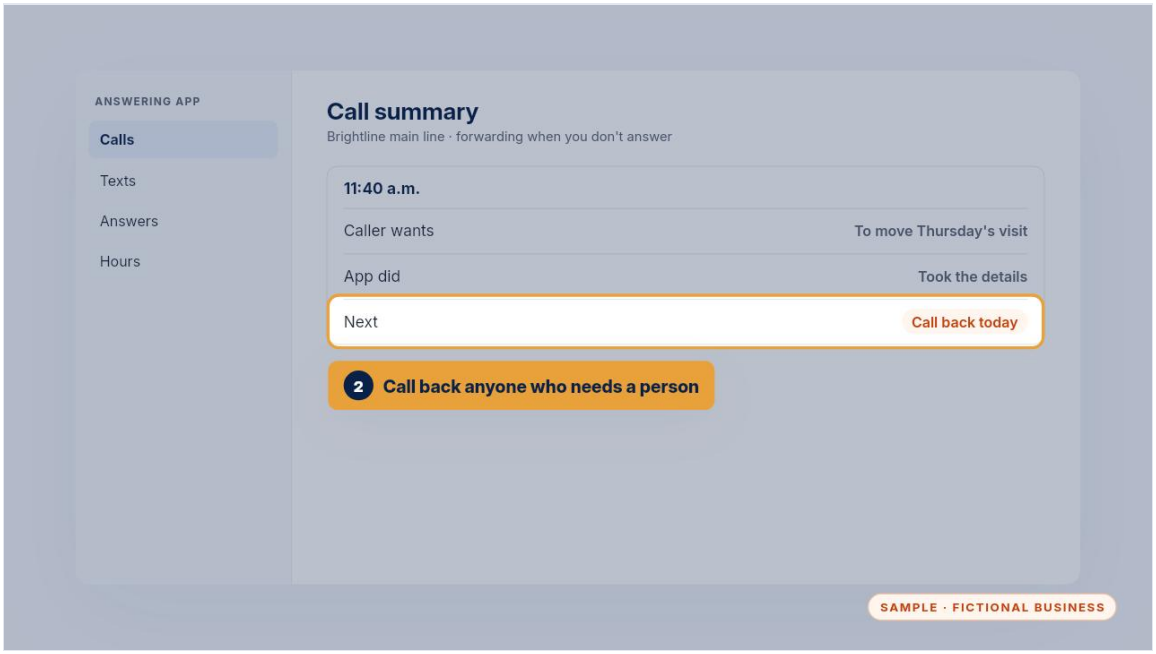

Watch the narrated video: https://openarmsolutions.com/guides/never-miss-a-lead/read-the-call-log

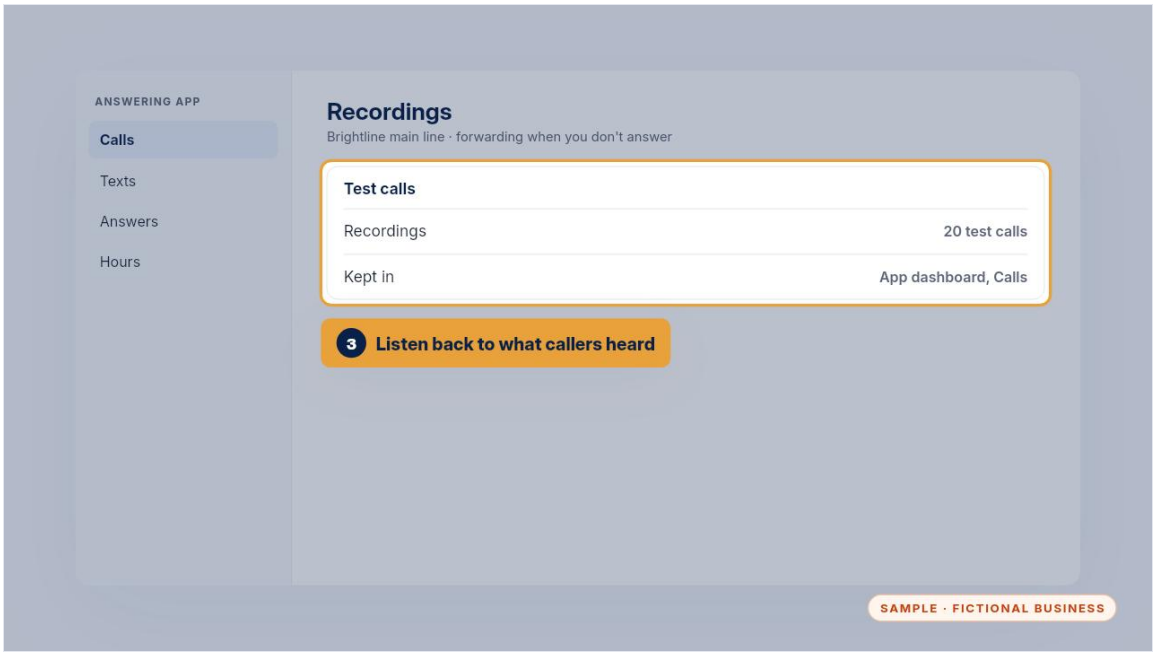

1. The call log is where you see every call the app took.

2 Open the app's Calls page. Each call has a short summary, the caller's details and what the app did.

3 Call back anyone marked needs a person. The summary tells you what they want before you dial.

4 The recordings of your twenty test calls are kept here too, so you can listen back to exactly what callers heard.

Read the call log

1. Open Calls each morning
2. Read the summary first
3. Call back anyone who needs a person

SAMPLE · FICTIONAL BUSINESS

5 A quick look each morning means nobody waits long for a call back.
